

School or educational groups

Haut-Koenigsbourg castle is an exceptional educational tool for the young. There are many educational activities provided for school or educational groups of all ages.

All the activities presented at the castle are original and concern a wide variety of fields and disciplines: from history to heritage via architecture, French...

A unique opportunity to study the Middle Ages through daily life in a fortress, as well as the 19th and 20th centuries, the period during which the monument was restored by Kaiser Wilhem II.
